Guideline for Midterm Examination

1. Download Midterm Question Paper COM108 in PDF file and Midterm Student Answer Book COM108 in either PDF or MS WORD file.
2. You can choose one of the following to write your answer:
   (a) Penwrite your answer directly on the Midterm Student Answer Book PDF file by using iPad or whatever pad, and then save it or print it as a PDF file together with the markup. Remember to flat your pdf file in order to include the markup before you submit it, please refer to https://www.sejda.com/flatten-pdf or https://smallpdf.com/blog/flatten-pdf for further detail.
   (b) Print out the Midterm Student Answer Book and handwrite your answer on the paper in a conventional way, and then scan the whole sheet by your mobile phone or scanner as a PDF file. OneDrive and Adobe Scan are both the available mobile APPs for you to properly scan your script into a formatted PDF file, please try to make the scan as clear as possible so that the lecturers won't have any difficulty on recognizing your answer.
   (c) Write your answer on an A4 blank sheet, remember to start a new page for each question, use the mobile APP "OneDrive" or "Adobe Scan" to scan your answer sheets into PDF file in proper order. Combine the cover page of the Midterm Student Answer Book along with your scanned PDF file to be your submission file.
   (d) Write your answer to each question on a white-background paper and take a snapshot of the answer, paste your answer to the corresponding question on the Midterm Student Answer Book WORD file and then save it and print it as PDF file.
3. Name your file as Midterm_ID, in which ID indicates your school ID, eg. Midterm_CST2009ABC, and remember to attach the file upon submission.
4. You are allowed to submit the Midterm Exam for infinite attempts before the end of the Exam time, and you are granted two hours for the Exam. Moodle system will be available TEN minutes ahead the exam time for downloading, and another TWENTY minutes after the exam time for scanning and uploading the submission of your Midterm PDF script.
5. Once you have read the instruction and downloaded the related documents, you are able to start writing your Midterm Exam. Please write your solutions on the A4-sized papers with enough margins left. Start each question on a new piece of paper. Make sure that your solutions are clear and big enough for the examiner to read.
6. You should finish everything within the stipulated time mentioned above, please place the answer sheets in a proper order and print or scan the file as a PDF file, upload the PDF file to the Moodle and then press submit.
7. Any inquiry after the due time will NOT be entertained. Any wrong submission after the due time will NOT be admitted for any kind of revision. Make a double or triple check before you submit your script, and most importantly remember to submit it on time.
8. Discussing/sharing solutions/collaborating are strictly prohibited. Lecturers can easily find out about this and once discovered, all students involved would be given 0, failed in the course, and a warning letter would be issued by the Office of Academic Affairs. This can also result in dismissal from the university.
9. It is your responsibility to make sure that your solutions are clear and big enough to be read by the lecturer. If you do not submit with the answer book, or your submission is not in PDF format, or your pictures are blur, or the writings are too small to be read, lecturers have the right not to grade the solutions.
10. It is your responsibility to make sure that you attend your exam on time. No extension of time would be given if you remember the time incorrectly, and resit would not be granted either. It is also your responsibility to make sure that your devices, like mobile phone, laptop, cable, necessary software are functioning properly during the exam.
11. Anyone who failed to follow the instruction will be given 0 marks for the Midterm, please make sure you DO read and follow the instructions listed above.
