ASSIGNMENTS RUBRIC

REFLECTIVE JOURNAL

Criteria	Good 5-4	Average 3	Needs Improvement 2	Poor 1
Reflections Ability to integrate learning into real-world experiences and analyze issues with a critical attitude	Ability to proficiently demonstrate reflection and deep thinking of acquired knowledge and concepts, and integrate them into different issues from wide range of perspectives (e.g. different contexts, cultures, disciplines etc.); creative solutions and critical thinking skills demonstrated in the writing	Showing satisfactory ability to relate acquired knowledge to previous experiences; demonstrating attempt to analyze the issues from a number of different perspectives	Includes description of events, and a little further consideration behind the events using a relatively descriptive style of language; no evidence of using multiple perspectives in analysing the issues	Only includes mere descriptions of theoretical knowledge; no reflection is demonstrated beyond the descriptions
Presentation: Articulation and organization of ideas and perspectives	Writing is well-focused; arguments or perspectives are precisely defined and explained; coherent flow in developing an insightful idea demonstrated	Arguments or perspectives are clearly stated; organized flow in writing but not deep enough to be very insightful	Arguments or perspectives are vaguely mentioned; the writing lacked an organized flow and the ideas were hard to follow	Do not show any original thinking or perspectives; chaotic in organization and presentation of ideas
Completeness: Incorporation of the journal entries into a whole, demonstration of the learning process	Concrete connections between journal entries into a whole; demonstrating clear steps in the developmental learning process	Journal entries can be generally connected; still able to observe how the student develops during the learning process	Weak connections between journal entries; development gained from the learning process is hardly observed	No connections between journal entries; The entries are mere descriptions of events rather than showing sequence of learning steps
Feelings and Thoughts	Feelings and thoughts are revealed in all of the entries.	Feelings and thoughts are revealed in most entries.	Limited feelings and thoughts are revealed in a few of the entries.	None/too limited feelings and thoughts are revealed in any of the entries.
Format	The proper format has been followed for all of the entries. All element presented in creative way with **at least 2 appropriate pictures (per element).**	The proper format has been followed for most of the entries. All element presented in creative way with **at least 2 appropriate pictures (per element).**	The proper format has been followed for a few of the entries. Most of the element presented with **at least 2 appropriate pictures (per element).**	The proper format has not been followed for any of the entries. **There is no pictures for most of the elements.**
Mechanics	All entries use correct spelling and grammar.	Most of the entries use correct spelling and grammar.	Only few of the entries use correct spelling and grammar.	Most of the entries consist of poor spelling and grammar.
Creativity	Creative and unique. Lots of effort demonstrated. Shows that much effort went into it. Looks complete an interesting.	Ordinary assignment without much creativity.	The project looks as if it was put together in a hurry. Still needs quite a bit of work, just doesn't look done. Full of errors, parts don't work as intended.	Lack of creativity. Shows little or no effort.
Requirements	The student wrote **10 or more elements and relate them to the future career** and **5 or more feedbacks** on the project. **AND Turnitin 0-5%.**	The student wrote: - **10 elements**, but did not relate some of the elements to future career - **5 or less feedback** on the project. **AND Turnitin 6-10%**	The student wrote: - **less than 10 elements** and **did not relate most of the elements to the future career** - wrote **less than 5 or less feedback** on the project. **AND Turnitin 11-20%**	The student wrote **either:** - **less than 10 elements** - **less than 10 elements** and did not relate **all the elements to the future career** - **less than 5 feedbacks** on the project. **AND Turnitin more than 20%20%**

- **Turnitin & Late Submission**
  - **The journal will be marked by half if students FAIL TO ATTACH THE TURNITIN REPORT**
  - **The journal will be marked by half for any LATE SUBMISSION**

- **Journal Submission (TURNITIN)**
  - **2 marks will be deducted if students use MORE THAN ONEACCOUNT**
  - **2 marks will be deducted if students DO NOT USE UNIVERSITY'S EMAIL**

ASSIGNMENT'S RUBRIC
SCHEME PROJECT
IMPLEMENTATION RUBRIC

PROJECT ACTIVITIES (35%)					
Criteria		**Good 7-8**	**Average 5-6**	**Needs improvement 3-4**	**Poor 1-2**
Leadership & Teamwork (8%)		All team worked well together to achieve objectives. Each member contributed in a valuable way to the project since group formed. All members give cooperation to the **project leader** and **sub project leaders.** **Attendance:** Full attendance	The team worked well together most of the time, with only a few occurrences of communication breakdown or failure to collaborate when appropriate. **Members were mostly** respectful of each other. **Attendance:** Absent for more than 2 times (meeting).	**Few** of team worked together, with only a few occurrences of communication breakdown or failure to collaborate when appropriate. Few members were mostly respectful of each other. **Attendance:** Absent for more than 3 times (meeting).	Team did not collaborate or communicate well since group formed. Some members would work independently, without regard to objectives or priorities. A lack of respect and regard frequently noted. **Attendance:** Absent for more than 4 times (meeting).
Problem solving skill (8%)		Students manage to follow **ALL STEP** indicate below:- • Analysing the factors or causes contributing to the unwanted situation • Generating a set of alternative interventions to achieve your end goal • Evaluating the best solutions • Implementing a plan • Assessing the effectiveness of your interventions	Students manage to follow at least **3** step indicate below:- • Analysing the factors or causes contributing to the unwanted situation • Generating a set of alternative interventions to achieve your end goal • Evaluating the best solutions • Implementing a plan • Assessing the effectiveness of your interventions	Students manage to follow at least **2** step indicate below:- • Analysing the factors or causes contributing to the unwanted situation • Generating a set of alternative interventions to achieve your end goal • Evaluating the best solutions • Implementing a plan • Assessing the effectiveness of your interventions	Students manage to follow at least **1** step indicate below:- • Analysing the factors or causes contributing to the unwanted situation • Generating a set of alternative interventions to achieve your end goal • Evaluating the best solutions • Implementing a plan • Assessing the effectiveness of your interventions
Criteria	**Exceptional 9-10**	**Good 7-8**	**Average 5-6**	**Needs improvement 3-4**	**Poor 1-2**
Creativity (10%)	Project is really creative with ideas/activities that are relevant to suit the needs of the nature of the project. ALL objectives/aims of the project are achieved based on the activities conducted. The project is successfully conducted based on the time line given without any issues and receive good feedbacks/participation.	Project is creative and relevant. Almost all ideas/activities conducted suit the needs of the nature of the project. Most of the objectives/aims of the projects are achieved based on the activities conducted. The project is successfully conducted without having any major issues and receive good feedbacks/participation.	Project is satisfactory. Some ideas/activities conducted are relevant and creative to suit the needs of the project. Some of the objectives/aims of the project are achieved based on the activities conducted. The project managed to be completed at a satisfactory level.	Project is lack of focus and creativity, lack of execution plan. Group managed to execute only a small portion/part of the plan. The objectives/aims of the project failed to be achieved due to lack of creativity, issues and etc.	Project is lack of focus and creativity, lack of execution plan. The objectives/aims of the project failed to be achieved due to many issues. Group failed to execute the plan accordingly.
Criteria	**Exceptional 5**	**Good 4**	**Average 3**	**Needs Improvement 2**	**Poor 1**
Proposal (5%)	Proposal is detailed enough with all relevant information of the project. The introduction, objectives, aims and all plan/procedures are clearly explained in the proposal. The proposal indicates that the group is well focused and well planned.	Proposal consists of sufficient information of the project, with clear elaboration. Most crucial information is clearly explained. The proposal indicates that the group is focus, has a proper plan, creative.	Proposal consists of satisfactory information of the project. Some of the crucial information are explained in the proposal. However, there are still some aspects that can be improved in order to equip readers with the information of the project. The proposal indicates that the group has a plan but unable to provide detailed information on the execution and etc.	Proposal consists of some major information of the project however it is still lacking of many crucial information. The proposal indicates that the group is lack of well- developed plan/ lack of focus/ lack of creativity and etc. Proposal - Late submission	Proposal is vague and lack of information of the project. Almost all content merely on surface information. There are many questions on who, how, where etc when readers read the proposal. The proposal indicates that it is a last minute work/lack of plan/lack of focus of the group/ lack of creativity and etc. Proposal - Late submission

Procedures (4%)		Students followed all procedures required by module, university and third party. **The project advisors are satisfied with the procedures requirement.** **Managed to follow all steps/procedures since group formation week accurately.**	Students followed almost all procedures required by module, university and third party. **The project advisors have less issues with the procedures requirement.** **Managed to follow most of the procedures since group formation week.**	Students followed some of the procedures required by module, university and third party. **The project advisors have to occasionally remind the students to correct it.** **Some issues within group formation week – last week**	Students failed to follow almost all procedures required by module, university and third party. **The project advisors have to remind students regularly to correct it.** **Too many issues since group formation week**

*****REMINDER:**

1) **Marks will be deducted for any failure in following the procedure**

FINAL REPORT (25%)					
Criteria	**Exceptional 5**	**Very Good 4**	**Average 3**	**Needs Improvement 2**	**Poor 1**
LOG OF ACTIVITIES: Progress of the group before (planning stage), during (Implementation) & after the event (post-mortem) (5%)	All data sources indicated a high level of mutual respect and collaboration since planning stage until post mortem. The post mortem meeting conducted within 1 week after project ended in effective way. The members give some points on the project.	All data sources indicated of mutual respect and collaboration since planning stage until post mortem. The post mortem meeting conducted within 1 week after project ended in effective way.	Some data sources indicated since planning stage. However, there are some issue among group members and need closed supervise by the advisor. The post mortem meeting conducted after 1-week project ended.	Few data sources indicated in the report. The planning stage was not run well as a lot of issue among group members and need closed supervise by the advisor. The post mortem meeting conducted but not in effective way.	A lot of data sources not indicate in the report. Information was not clear and difficult to see how the project done. There is no post mortem meeting conducted.
Task Division (5%)	The individual had a high level of engagement that demonstrated strong commitment to the class. Shown the commitments from the day one of the task given to the group.	The individual had a level of engagement that demonstrated strong commitment to the class. Shown the commitments few weeks after the task given to the group.	The individual had a level of engagement that demonstrated a commitment to the class and/or the learning outcomes. The level of the engagement could have been deeper.	The individual had a level of engagement that did not demonstrate a commitment to the class or the learning outcomes. The level of the engagement could have been improved.	The individual did not have a level of engagement that did not demonstrate a commitment to the class or the learning outcomes. There is no level of the engagement in the group.
Outcome and recommendations (5%)	The deliverable demonstrated complete knowledge of the course content by integrating major and minor concepts into the response. The deliverable also demonstrated complete evidence of extensive research effort and a depth of thinking about the topic.	The deliverable demonstrated knowledge of the course content by integrating major and minor concepts into the response. The deliverable also demonstrated evidence of extensive research effort and a depth of thinking about the topic.	The deliverable demonstrated knowledge of the course content by integrating major concepts into the response. The deliverable also demonstrated evidence of limited research effort and/or initial of thinking about the topic.	The deliverable demonstrate very little of knowledge of the course content, evidence of the research effort or depth of thinking about the topic.	The deliverable did not demonstrate knowledge of the course content, evidence of the research effort or depth of thinking about the topic.
Minutes of meetings (5%)	All entries are present, in order, and together – detailed minutes.	All entries are present, in order, and together - average.	All entries are present, but are either not together or in order.	Some or most entries are not relevant (screenshot of Teams meeting and etc.)	All entries are not present.
Appendices such as pictures, videos, posters (5%)	All entries are present, in order, and together.	Almost all entries are present, in order, and together.	All entries are present, but are either not together or in order.	Some entries are present.	All entries are not present.

ASSIGNMENT'S RUBRIC
SCHEME VIDEO
PRESENTATION RUBRIC

Rubrics for Content

NO	ITEM	CRITERIA	SCORE			MARKS
			5-4	3-2	1	
1.	Content	Originality	Video shows significant originality and inventiveness. The content and ideas are presented in a unique and interesting way.	Video shows an attempt at originality and inventiveness.	Video is a rehash of other people's ideas and/or graphics and shows very little attempt at original thought.	
		Creativity	The demonstration was imaginative and effective in conveying ideas to the audience.	The demonstration techniques used were good in conveying main ideas, but a bit unimaginative.	The demonstration failed to capture the interest of the audience and/or is confusing in what was communicated.	
		Accuracy of the message	Message delivered has a strong impact. Project knowledge is excellent and presented in the video.	Message delivered has little impact. There are 1-2 information were not in the video but essential information are delivered	No message is delivered. Too many information lacking and not presented in the video	
2.	Citation		All used materials (graphics, audio, video, text, etc.) have a source citation in the portfolio details OR are 100% original.	Some used materials (graphics, audio, video, text, etc.) have a source citation in the portfolio details.	None of the used materials (graphics, audio, video, text, etc.) have a source citation in the portfolio details. *Citation in portfolio is optional but must be written in the portfolio details.	
					TOTAL	**/20**

Rubrics for Mechanics

CATEGORY	5-4	3-2	1	MARKS
Delivery	Smooth delivery that holds audience attention.	Fairly smooth delivery that holds audience attention most of the time.	Delivery not smooth, and audience attention is often lost.	
Videography - Clarity and Techniques	Video did not rock/shake and the focus was excellent throughout. Many different "takes", camera angles, sound effects, and/or careful of use of zoom provided variety in the video.	Video had a little rocking/shaking, but the focus was good for the majority of the video. Several (3-4) different "takes", camera angles, sound effects, and/or careful of use of zoom provided variety in the video.	Problems with rocking/shaking and no focus. Little attempt was made to provide variety in the video.	
Titles, Credits and Grammar	All titles and credits are accurate, legible and draw the viewer's attention.	Most titles and credits are accurate, legible and draw the viewer's attention.	Few (less than 75%) titles and credits are accurate, legible and draw the viewer's attention.	

	All language (except bahasa pasar / Manglish /Singlish, etc.) used or displayed in the video is grammatically correct and there are no spelling errors.	There are 1-2 grammatical or spelling mistakes displayed in the video.	There are more than 2 grammatical or spelling mistakes displayed in the video.	
Requirements	All requirements are met.	One or two requirements were not completely met.	More than two requirements were not completely met.
