Simple Linear Regression

Linear Regression

Exercise: Find the equation of the regression line.

Income x	Food Expenditure y
55	14
83	24
38	13
61	16
33	9
49	15
67	17

Solution:

Linear Regression

Solution:

Linear Regression

Exercise2: Find the equation of the regression line

Wheat production	30	28	32	25	25	25	22	24	35	40
Flour price	25	30	27	40	42	40	50	45	30	25

Solution:

Linear Regression

Solution:
