Project Proposal Guideline: Prepared by Secretary & Asst. Secretary

- Use the suggested structure below to organize your ideas. Make sure to include all the sections in your proposal. You may also add additional details that are relevant to your project.

- Please use Times New Roman/Arial font size 12 and format your project proposal as follows:

  - Top of each page (Header) – group name/title of project
  - Bottom of each page: page numbers
  - At the top of the proposal first page – Name of project
  - Line-spacing: 1.5- Justify
  - Leave a clear space between paragraphs

Item/Sections	Description
• Cover Page	• Should contain: ➢ university logo ➢ semester ➢ course code ➢ course name ➢ project title ➢ group name ➢ leader's name
Content:	
• Introduction	• Give some background on your project. • Explain why the project is being proposed, how it relates to course objective. • Describe the need for the project
• Objective/Aim	• Indicate what you expect your work to accomplish.
• Details of project	• Provide details of the project: date/timeline • Present the detailed work plan for the project. This should cover how the project objectives will be accomplished, what outcomes will be produced, what needs to be done and by whom, how the work will be organized etc.

• Progress Reporting	• Describe how the group will monitor the progress and the outcomes of the project and its contribution to the society
• Timeframe	• Prepare project time frame table. Example: 
• Proposed Budget	• **State proposed income and expenses** *Will be prepared by treasurer
• Organizational Chart	• Prepare organizational chart • Start with name of advisors • For each position: Include name & student id of members
• Name List	• Provide name list of members. • Include name, student ID and phone number (Sort list by Student ID)

<table>
<tr><td></td><td>

IMPORTANT: Please ask your members to check their group number in the timetable on the Academic Affair system and include group number in the list. This is extremely IMPORTANT as you may have students from different classes in a group.

<table>
<tr><th>NO</th><th>NAME</th><th>STUDENT ID</th><th>PHONE NUMBER</th></tr>
<tr><td>1</td><td></td><td></td><td></td></tr>
<tr><td>2</td><td></td><td></td><td></td></tr>
</table>
</td></tr>
<tr><td>

Signature block

</td><td>

Prepare 2 columns:

Prepared by: Secretary-include name and id
Approved by: Leader- include name and id

</td></tr>
<tr><td>

Attachments

</td><td>

There is no limit to the number of pages allowed for the attachments.
Include relevant supporting documents:

project finalised by group members with approval or acknowledgement from advisors (screenshot of Moodle discussion is acceptable)
sponsorship request letters
letters of confirmation/agreements with partners for the project (if applicable)
letters of support from other community groups or organisations.

You may also forward copies of other materials such as designs and documents that may assist the advisors in considering your proposal.

</td></tr>
</table>

- Funds and donations from companies, NGOs and public (if applicable) **will be channeled directly** to the Organization/NGO (receivers account). You are not allowed to collect/receive the money to your account and then distribute it to the Organizations/NGOs. This is to allay/alleviate doubts or suspicion of fund mismanagement.
