# Engineering Graphics

by Dr. Chew Kit Wayne

# Final Assignment

# ASSESSMENT

- Assessment method

| Previous | Work |
|---|---|
| Drawing 1 | Individual |
| Drawing 2 | Individual |
| Drawing 3 | Individual |
| 100 marks | Total (50%) |

# GUIDELINES

- Each question should have one drawing file (PDF) and/or one software file: (.dwg for 2D and .ipt for 3D)
- Combine PDF files: 1) Assignment cover page, 2) Q1 drawing, 3) Q2 drawing, 4) Q3 drawing, 5) Marking rubrics, into a SINGLE pdf file.
- All drawing files must be named using the following format: COM204_Question number_Student ID

  [e.g. COM204_Q2_EEE1909999]
- Combined PDF file must be named as: COM204_Student ID_Name.
- Submission will be done at Moodle. If Moodle is down during exam time, submit your files to kitwayne.chew@xmu.edu.my.
- Sign in to your Teams account to reach us if there is any emergency

# DATE AND TIME

- Assessment on 19th July 2022 (Tuesday)
- Time: 2.30 – 5.30 pm.
- 15 - 20 mins allowance for compiling and submission.

- All submissions are done through Moodle.

# PENALTY

- Submission format non-compliance: 5% deduction
- Late submission (up to 15 mins): 10% deduction
- Late submission (more than 15 mins): 100% deduction
- Files/drawings without name: 50% deduction
- Plagiarism (upon suspection): 100% deduction (for all parties)

Your submission should be in a SINGLE pdf file that includes the following components:

1. Cover page
2. Question 1 drawing
3. Question 2 drawing
4. Question 3 drawing
5. Marking rubrics

# CHEATING/COPYING

- The following actions will be subjected to immediate **zero** marks awarded (to the person):

1) You assisting your friends in their work (both)

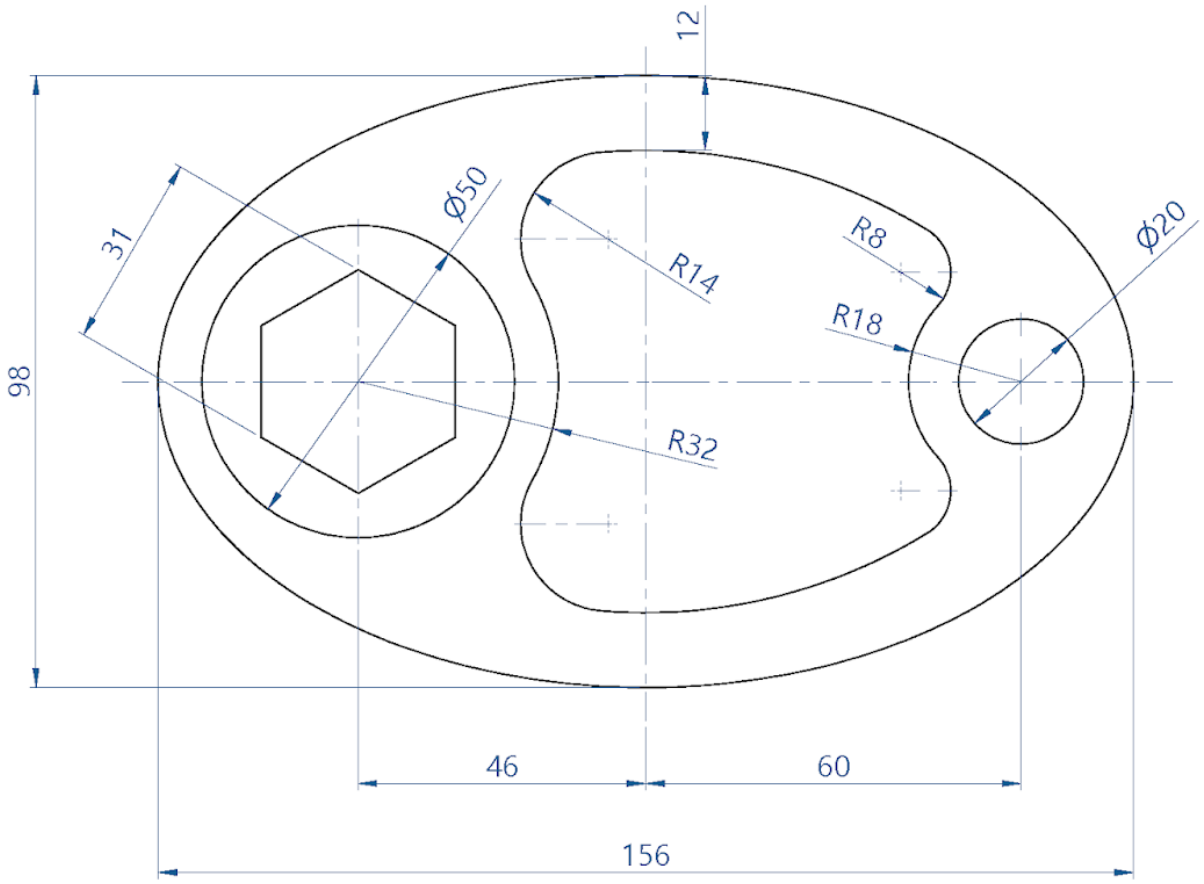

2) Your friend assisting you in your work (both)

3) Your friend requesting you to help (friend)

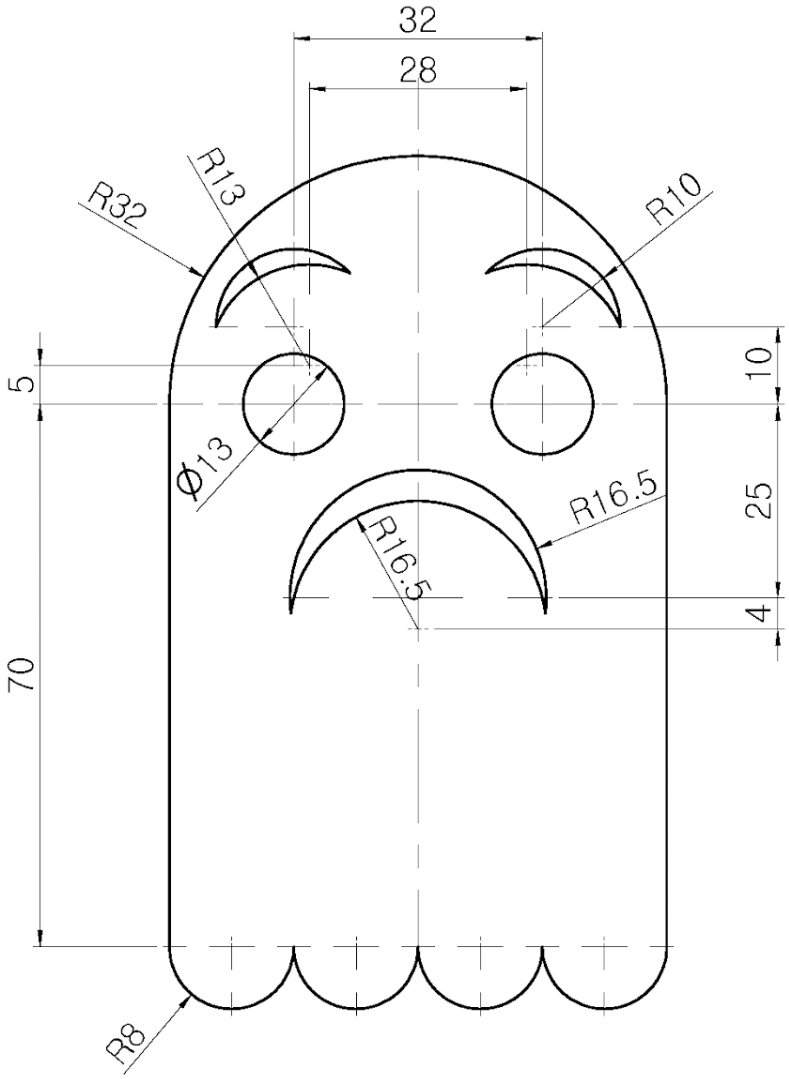

4) Your work shows near impossible similarity to your friend (both)

5) Your drawing does not match the work given to you (both)

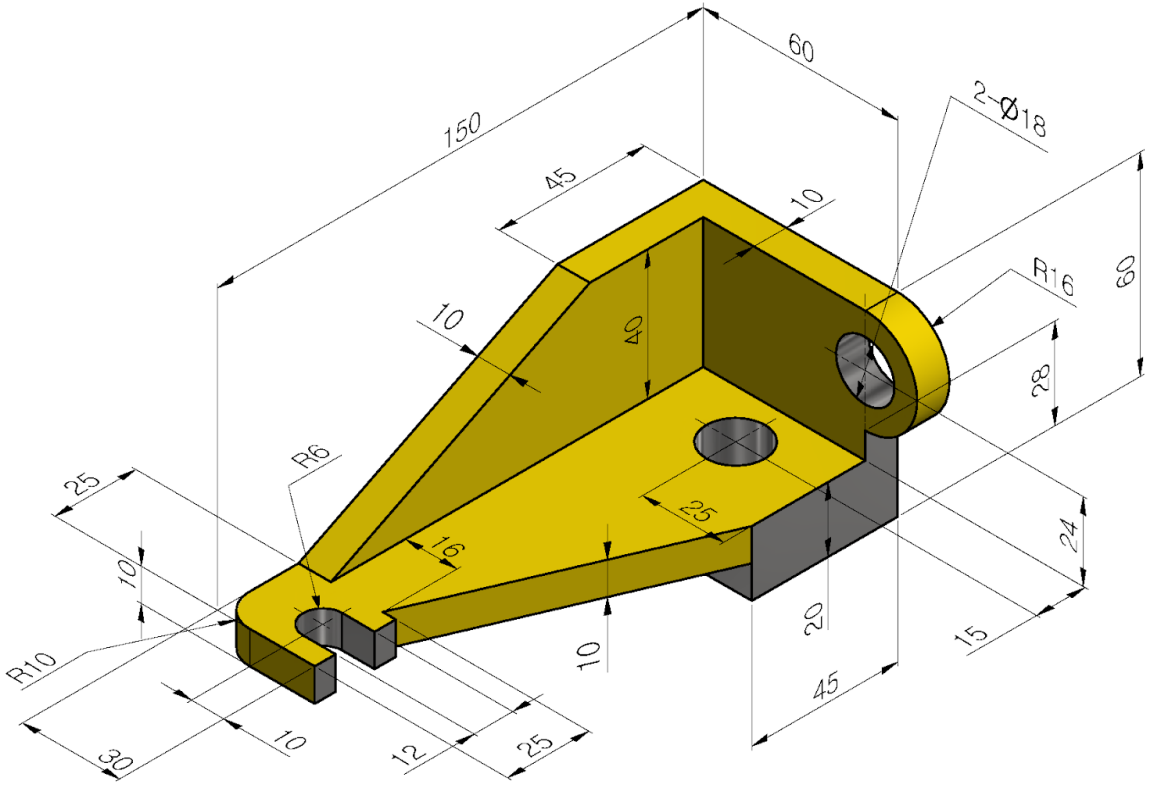

# 2D DRAWING PRACTICE

# 2D DRAWING

# 2D/3D ORTHOGRAPHIC PROJECTION

# 3D DRAWING
