INSTRUCTIONS TO CANDIDATES

1. Fill in all the above particulars in the front cover. No other information shall appear except those stated above, or the answer sheet would be regarded as unacceptable
2. Write your solutions on blank or ruled A4 size papers, leaving enough margins. Start each question on a new piece of paper.
3. Before the end of the examination, save this file as a PDF file and upload to Moodle. You will receive a notification email upon your submission. In the unexpected circumstances where there is a failure to access Moodle, email the PDF file to the lecturer before the deadline. DO NOT upload to Moodle and email at the same time.
4. Late submissions without valid reason would not be accepted.
5. If you are found sharing your solutions or communicating with other candidates, intentionally or not, you would be penalized accordingly.
6. If you have any exam related issues, you should look for the lecturer ONLY.
